MEMORANDUM FOR: Deputy Director for Support

1. Yesterday at the Eglin air power demonstration, in which we participated with a static display, the Director and the President were most impressed with the caliber of our display, the caliber of our personnel, and the entire Agency participation. The Director directed that a similar, or perhaps enlarged, static display be established in Washington on a permanent basis, here at Langley.

2. Please get together with the appropriate offices in DD/P, DPD, TSD, and whoever else is indicated, and determine space requirements, help them plan layouts, security arrangements, access authority, etc., etc.

3. I would like expeditious action, to include being kept informed periodically.

Marshall S. Carter  
Lieutenant General, USA  
Deputy Director

HS/CSG-2479

~~CONFIDENTIAL~~

~~SECRET~~

14 May 1962

MEMORANDUM FOR THE RECORD:

SUBJECT: Static Display of CIA Items Reviewed by the  
Presidential Party at Eglin Air Force Base  
on 4 May 1962 (Hangar Number 531)

1. In response to a request submitted by the United States Air Force (Top Secret Memorandum [redacted] to the Director of Logistics from Brigadier General Edward G. Lansdale, dated 10 April 1962) the DDCI gave approval to the Air Force request including provisions that a representative group of Agency personnel accompany the items to be displayed at Eglin Air Force Base.

25X1A2G

On 24 April 1962 a task force of twenty-six persons representing the DDS and DDP elements of the Agency deployed to Eglin Air Force Base, and upon arrival immediately began preparing the display in Hangar Number 531.

The display occupied about one-fourth of the hangar area. The remaining three-fourths of the hangar was occupied by aircraft and equipment representative of the Air Force 4400th Combat Crew Training Squadron (CCTS - Project Jungle Jim).

25X1A9A 2. On 25 April 1962 at 1140 hours [redacted] made an inspection of the display and were briefed by the briefing officers assigned to each exhibit. At 1230 hours a critique was held and both Messrs. 25X1A9A [redacted] presented recommendations on changes in the order of exhibits and manner of briefing. During the remainder of the afternoon all recommended changes were accomplished.

3. On 26 April 1962 at 1352 hours a pre-Presidential dress rehearsal on the joint CIA/4400th CCTS display in Hangar 531 was made by the following Air Force group:

Secretary of the Air Force - Mr. Zuckert  
Air Force Chief of Staff - General LeMay  
Commanding General/Tactical Air Command -  
General Sweeney  
Approximately 10 General grade officers

~~SECRET~~

~~SECRET~~

At 0800 hours on 27 April a critique was held by the Air Force resulting in General LeMay directing CIA to move its display from the southwest corner of the hangar to the southeast corner. This move was accomplished by 1700 hours on 1 May 1962.

4. On 2 May a dry run (for the purpose of timing) was conducted by the Air Force with Generals Sweeney and Powers acting as the Presidential Party. Immediately following the dry run the 4400th CCTS was advised (by the Air Force project officer) that they would be required to remove their exhibit from Hangar 531. On the morning of 3 May the entire 4400th CCTS exhibit was repositioned on the apron in front of the hangar adjacent to Hangar 531. This in effect made all of Hangar 531 available to CIA, however, it was agreed that the position of the Agency display would remain unchanged.

5. At 1330 hours on 3 May, General Carter and  FitzGerald inspected the display and spent considerable time in becoming thoroughly familiar with the various items. At this juncture it was determined that General Carter would brief and conduct the Presidential Party (Mr. FitzGerald would brief and conduct the Vice-Presidential Party) through the display. Briefing officers were instructed to standby to answer any specific questions which might be asked.

25X1A

6. The Presidential Party arrived at Hangar 531 at 1434 hours on 4 May and entered the enclosed display area in three groups.

- (1) President Kennedy  
Air Force Secretary - Mr. Zuckert  
Air Force Chief of Staff - General LeMay  
Governor of Florida - Governor Bryant  
CIA Director - Mr. McCone

This group was conducted through the display by the DDCI, General Carter.

- (2) Vice President Johnson  
Deputy Secretary of Defense - Mr. Gilpatrick  
Presidential Adviser - Mr. David Power  
Commanding General/Tactical Air Command -  
General Sweeney

This group was conducted through the display by Mr. Desmond FitzGerald

~~SECRET~~

~~SECRET~~

(3) White House Staff included:

Presidential Press Secretary - Mr. Pierre Salinger  
Presidential Advisor - Mr. P. K. O'Bryan  
Presidential Advisor - Mr. McGeorge Bundy  
Presidential Advisor - Mr. O'Daniel  
Public Information Office - General Martin  
Presidential Aide - General McHugh  
Assistant Presidential Physician - Dr. Burkley

Some of the Aides attached themselves to the Vice-Presidential Party and the remainder were conducted through the exhibit by

25X1A9A

7. The Presidential Party departed Hangar 531 at 1445 hours on 4 May 1962. The personnel and the exhibit remained on a standby basis for the purpose of entertaining the DCI and a selected group of Congressional personnel (Senators and Representatives). At approximately 1730 hours on 4 May, General Carter passed the information that the visit of the Congressional party had been cancelled.

8. General Carter assembled all personnel connected with the exhibit and expressed Mr. McCone's and his appreciation for a job well done. He further indicated that the DCI had directed that a permanent display similiar in nature (but to include some sophisticated equipment) would be established at Headquarters in Washington.

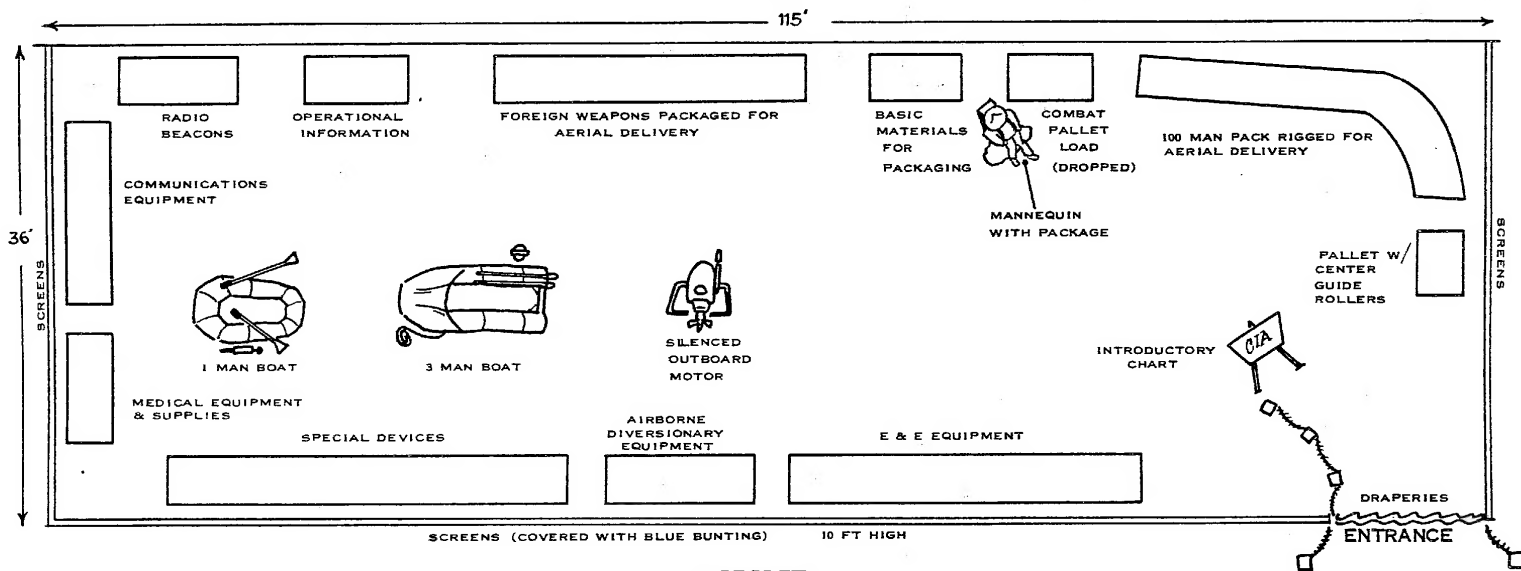

9. By 2000 hours on 4 May 1962 the display was dis-assembled and packed for shipment with appropriate instructions being issued for its receipt. On 5 May 1962 the majority of the personnel were re-deployed to Washington, D. C.
